

AUFBAUANLEITUNG METRO G - MODELL AUS LEGO STEINE

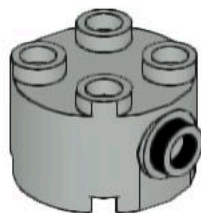

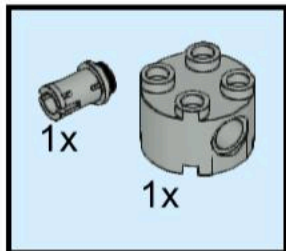

METRO G ist das umfangreichste und flexibelste Fördergerät auf dem Markt. Es kombiniert das Beste von zwei etablierten Fördergerätserien – colortronic und motan. METRO G bietet Ihnen mit dem modularen Baukastensystem eine individuelle, auf Ihre Bedürfnisse abgestimmte Lösung, egal ob einfach oder hochkomplex.

Bauen Sie Ihr eigenes Fördergerät - probieren Sie es aus!
